

## Frequently Asked Questions

### Do I have to Purchase the Bark Defender with AppleCare Services Plan?

The plan is optional and is not required to purchase the phone or activate wireless service.

### What's Covered?

If you purchase both the service contract and the insurance policy, you'll get the most comprehensive coverage for loss, theft, accidental damage (including screen breaks), and warranty malfunction. Bark Defender Loss & Theft covers loss and theft when you only purchase the insurance policy. Bark Defender with AppleCare Services Damage & Malfunction covers accidental damage and warranty malfunction when you only purchase the service contract. NOTE: AppleCare Services benefits are not available if you purchase only loss and theft coverage.

### What's Not Covered?

While the program covers an impressive range of incidents, there are a few exceptions. Any normal wear and tear, pre-existing flaws, or cosmetic damage is not covered. Have questions or need more details? Your insurance policy and/or service contract have the full details on what we will and won't cover.

### When am I Covered?

Coverage starts immediately upon enrollment. Enrollment is available when you purchase your device as well as up to 60 days after purchase. Please note that your device must be fully operational and have no damage in order to still be eligible for coverage. Theft and loss coverage requires you to have Find My enabled on your device at the time it is lost or stolen.

### How will I be Billed?

This charge will appear on your monthly Bark Mobile online account. You will pay for your monthly device protection plan in advance when you pay for your monthly service plan, commonly referred to as top up.

### How Many Claims can I File?

Claims for screen break, all other damage and malfunction are unlimited! You can also file 1 claim for loss or theft in any rolling 12-month period. Each claim requires a deductible payment and has a monetary limit of up to \$2,500.00 depending on the device tier.

### What Kind of Replacement will I Receive? Is there a Warranty for Repairs and Replacements?

Replacements may be new or reconditioned. Reconditioned equipment looks and functions just like new, but may have minor cosmetic flaws. All repairs and replacements will be Apple-certified.

### What Happens if my Device Can't be Repaired?

If your device can't be repaired it will be replaced.

### Are There Other Fees I Should Know About?

Other fees you may be subject to include a Non-Return Equipment Fee if you fail to return your damaged or malfunctioning device to Apple, or a Locked Device Fee if you return your device to Apple with Find My enabled, up to the amount of the unsubsidized, new retail price of the enrolled device at the time of enrollment. A No Trouble Found Fee of \$50 may be charged if you are approved for a Claim and no trouble is found with the device that is returned or brought in for repair. A Claim Conversion Fee of \$70 may be charged if you pay the screen only repair deductible and other damage is found.
