Activate Your Replacement Device

Before you activate your replacement device, your replacement device must be charged. These instructions apply to phones and data-only devices.

1 **BACK UP and SAVE your contacts and content from your original device.**

For iPhones

- Sync your original device using iCloud or by connecting it to your PC to back up all contacts, music, apps, photos, and files.
- Connect your replacement device to your PC and follow the on-screen instructions.
- Sync your preferred content.

For all other devices:

Follow the device manufacturer's recommended back up process.

2 **TURN OFF your original device.** If your original device was lost or stolen, skip to Step 4.

3 **REMOVE your SIM card from your original device (if applicable).**

Your SIM card can be found in a tab located on the side of the device or behind/next to the battery when removing the back cover.

4 **INSERT your SIM card into your replacement device.** Turn on your replacement device.

- If you received a new SIM card and know your old SIM card number, you may activate your new SIM card by signing into your account on Fido.ca. If you don't know your old SIM card number, please contact Fido at [Fido.ca/contactus](https://www.fido.ca/contactus).

SIM card activation on Fido.ca

1. Log into 'My Account'
2. Choose the number for which you are changing SIM card
3. Select 'Update SIM card'
4. Enter the old SIM card number in the required field
5. Enter the new SIM card number in the required field
6. Select 'Next'
7. Double-check your info on the resulting confirmation page, and then select 'Update SIM'

You can now insert your SIM card into your phone. Just make sure to turn your device on and off to finish the process

To reactivate service on a phone previously reported lost or stolen

1. Log in to 'My Account'
2. Choose the number for the phone you want to reactivate, then select 'Reactivate My Device' on the resulting page.
3. Confirm your selection on the following page.

5 **RETURN your original damaged device. You must return your damaged, unlocked device to Brightstar within 15 days to avoid a non-return fee of up to \$800.**

- Place your damaged device in the padded envelope, attach the pre-paid return label and seal it. Drop the envelope into any Canada Post mailbox. No postage necessary.
- DON'T FORGET! Keep your accessories including battery and SD card (if applicable).
- Please keep the receipt, original box, manual, and all packaging materials in a safe place. In the event that you experience problems with your replacement device, you must have these items for future exchanges with Brightstar.

To avoid a Locked Device Fee of up to \$800, iPhone users must deactivate the "Find My iPhone" feature. Android users whose devices are locked via a Samsung or Google account, must log into the account and unlock it.

Activate Your Replacement Rocket Stick Insert your active SIM card into your replacement stick.

- Insert the key into a PC (the auto run program will initiate the installation process).
- If you received a new SIM card, please use the above instructions to activate the SIM card

Device Protection will appear as the payee on your banking or credit card statement by which you paid your Processing Fee. This will appear on your next statement.
