What is Protected. If the Protected Device suffers a Failure during the time this Contract is in effect, We will repair the Protected Device as described below. If a Failure affects a Protected Accessory in conjunction with the Failure of the Protected Device, or if the Protected Device is replaced with a different model, We will also repair or replace, in Our sole discretion, the Protected Accessory(ies). Failures due to defects in material and workmanship during the term of the manufacturer’s warranty period are not covered under this Device Protection Lite Plan Contract and service requests must be submitted through the FIDO repair and return program. In the event that We cannot repair Your Protected Device protected under this Contract, We will replace the Protected Device. In the case of a replacement, Protected Devices will be replaced with a wireless device of like kind and quality with comparable features and functionality to the Protected Device. THERE IS NO ASSURANCE, REPRESENTATION, OR WARRANTY THAT ANY REPLACEMENT EQUIPMENT WILL BE IDENTICAL OR OFFER THE SAME FUNCTIONALITIES AS THE ITEM BEING REPLACED. REPLACEMENT EQUIPMENT WILL BE NEW, REMANUFACTURED OR REFURBISHED, IN OUR SOLE DISCRETION. The Replacement Equipment immediately becomes the Protected Device. If We replace Your device under the Device Protection Lite Plan Contract, We reserve the right to take possession and ownership of Your defective or damaged Protected Device. You hereby assign to Us all rights and benefits of any manufacturer’s warranty or other ancillary coverage related to any Protected Device that We replace. We will provide a twelve (12) month warranty on parts and workmanship for any repaired Protected Device or Replacement Equipment. In the event that the repaired Protected Device or Your Replacement Equipment fails to function due to any defects in parts or workmanship during this twelve (12) month warranty period, We will repair or replace the repaired Protected Device or Replacement Equipment, in Our sole discretion, at no cost to You. Such service will not be charged against Your annual service limit under the Device Protection Lite Plan Contract.

Changes to the Device Protection Lite Plan and Contract. You agree to all the provisions of this Contract when You order the Device Protection Lite Plan and/or pay for it. If the Protected Device is changed to another Eligible Device at any time while covered by the Device Protection Lite Plan, FIDO will apply the correct monthly fee for the Device Protection Lite Plan applicable to that device being used under Your FIDO account. We may also change the monthly charge for the Device Protection Lite Plan, the administration of the Contract, or these terms and conditions from time to time upon at least thirty (30) days written notice to You. Such

notice may be provided in a Bill insert; as a message printed on Your Bill; by email; in a separate mailing; or by any other reasonable method, at Our discretion, and will clearly and legibly set out its effective date and either the new clause only, or the amended clause and the original clause. You may refuse the amendment and rescind or cancel the Contract without cost, penalty or cancellation by sending Us a notice to that effect no later than thirty (30) days after the amendment comes into force. Your continued use of the Device Protection Lite Plan and payment of the charges, after such notice, constitutes Your acceptance of the changes. The Device Protection Lite Plan is available only to wireless device service customers of FIDO. Your participation in the Device Protection Lite Plan is optional and You may terminate the Contract at any time. Please refer to the Cancellation section of this Contract.

Contract Service Period. Your service benefits under this Contract begin on the Enrollment Date and continue from month to month until terminated by You or by Us in accordance with the Cancellation section of this Contract and subject to the Service Limits section of this Contract.

You must file the Service Request within sixty (60) days of the Failure. If Your Service Request is approved to repair Your Protected Device, You may mail-in Your Protected Device, or may choose to visit an authorized repair location (if available in Your area, as determined by Us), or an authorized repair technician may come to a location of Your selection (if available in Your area, as determined by Us). Additional information on repair is available at www.Brightstarprotect.com/FIDO. We are not responsible for any loss of data, personal or otherwise, on Your Protected Device that may occur during the repair process. If you have a Protected Device that is not repairable, a device that is ineligible for repair, or We determine that a replacement is necessary, Replacement Equipment will be provided to You. If We cannot repair Your Protected Device, and if You mailed Your Protected Device, We will provide you with Replacement Equipment and the unrepaired Protected Device will not be sent back to you. If We cannot repair Your Protected Device, and You elected to visit an authorized repair location or to have an authorized repair technician come to Your location, We will provide You with Replacement Equipment, the unrepaired Protected Device will be made available to You for collection at the location You originally dropped it off at, and You will be responsible for mailing Us the unrepaired Protected Device using the prepaid return mailer as described below. If You do not collect Your Protected Device within thirty (30) days from the date You are first notified that

the Protected Device is available for collection, after that time, We will return the Protected Device to You by mail. If We provide You with Replacement Equipment, We will ship the Replacement Device the next business day, where and when available. We may provide You with the option to receive the Replacement Equipment the same day Your Service Request is completed for an additional fee, where and when available, in Our sole discretion. WE MAY REQUIRE, AS A CONDITION OF APPROVAL OF YOUR SERVICE REQUEST, THAT YOU PROVIDE PROOF OF PURCHASE OR LEASE FOR THE PROTECTED DEVICE AND/OR YOUR GOVERNMENT ISSUED PHOTO I.D. OR OTHER DOCUMENTATION OR INFORMATION AS REASONABLY NECESSARY TO ESTABLISH YOUR RIGHT TO SERVICE WITHIN SIXTY (60) DAYS FROM THE DATE OF THE REQUEST. We also retain the right to inspect the Protected Device (except in cases of loss or theft) as a condition of approval of Your Service Request.

Processing Fees. A nonrefundable Processing Fee, plus applicable taxes, applies to each approved Service Request. The Processing Fee will be collected from you prior to fulfilling Your approved Service Request. Prepaid credit cards may not be used to pay Your applicable Processing Fee. A complete list of Eligible Devices and their device tier are available at www.Brightstarprotect.com/FIDO or by calling 1-855-877-3887.

Service Limits. We will cover the cost to repair or replace the Protected Device up to a maximum of **\$3,000.00**, inclusive of a \$500 per Service Request limit for Protected Accessories, per Service Request depending on the tier of Your Protected Device. Beginning on the Enrollment Date, this Device Protection Lite Plan Contract will cover up to, but not more than, two (2) repairs and/or replacements (if a replacement is provided to You) of the Protected Device during any twelve (12) month period, beginning on the date that the first approved Service Request is fulfilled. For Service Requests that are fulfilled with Replacement Equipment or the Protected Device has been mailed for repair, the fulfillment date is the date on which the Replacement Equipment or repaired Protected Device is shipped to You. For Service Requests that are fulfilled at an authorized repair location or repaired by an authorized repair technician, the fulfillment date is the date which the Repaired Protected Device is made available to You for collection. We will forward a notice of cancellation of the Contract to You, by mail, email or fax at the time of the second fulfilled Service Request, and We will discontinue all monthly charges for the Device Protection Lite Plan Contract at such time. The monthly charge paid for the Device Protection Lite Plan Contract during the month in which the second fulfilled Service Request occurs will be prorated up to the date of cancellation. The service limit does not apply to the repair or replacement of Protected Devices caused by defects in parts or workmanship during the standard product warranty.

Return of Replaced Protected Devices/Non-Return Fee. If We provide You with Replacement Equipment and You did not mail Your Protected Device to Us for repair, the Protected Device must be returned to Us at Our shipping expense in the return mailer included with Your Replacement Equipment within thirty (30) days. The Protected Device We replace becomes property of FIDO and You hereby assign to Us all rights and benefits of any manufacturer's warranty or other ancillary coverage relating to any Protected Device that We replace. If We do not receive Your original equipment within thirty (30) days, You will be charged a non-return equipment fee up to **\$800.00** plus applicable taxes. The Non-Returned Equipment Fee will be charged to the credit card We have on file for You, or may be included on Your monthly bill, in Our sole discretion. Call 1-855-877-3887 to request a prepaid return mailer.

Locked Device Fee. If You file a Service Request, We will ask You at the time You file Your Service Request to disable any locking feature on Your Protected Device. We will not process Your Service Request until You provide affirmative verification that such locking feature has been disabled. If We provide You with Replacement Equipment, and You return Your Protected Device

with the locking feature enabled, We will charge a Locked Device Fee (as indicated above) to the credit card We have on file for You. YOU MAY AVOID THIS FEE BY DISABLING THE LOCKING FEATURE ON YOUR PROTECTED DEVICE AT THE TIME YOU FILE YOUR SERVICE REQUEST.
