DEVICE REPLACEMENT

If for any reason your device gets lost, stolen, suffers irreparable damage physically or by liquid, or has any other irreparable problems your warranty may not cover², you'll get a comparable replacement.

You can count on us that your replacement will either be new, or a refurbished version or a comparable model.

Your protected device is eligible for a maximum of three fulfilled service requests every rolling 12 months – 2 for accidental damage from handling or out-of-warranty defects and 1 for loss or theft.³

Each loss/theft replacement will be subject to a processing fee of \$150 - \$400, depending on the tier of the device being replaced.⁴

PLUS

We'll honour your manufacturer's warranty.

As always, with any Device Protection plan, if you're still within the manufacturer's warranty period (within the first year of purchase) and your wireless device stops working, bring it to us in store and we'll take a look. If it's still covered under the manufacturer's warranty, we'll take care of getting it fixed for you.
