Device Protection plans are month-to-month insurance contracts that continue until cancelled by you or Fido. Repair options available only if device is repairable and depends on your location, device and type of damage. Certain failures not protected, including: indirect damages; misuse or intentional acts; pre-existing failures; cosmetic damages that don't affect function; damage caused by viruses or unauthorized programming. **2.** The non-refundable deductible depends on your device type and damage type and will be collected from you prior to fulfilling your approved claim. A claim conversion fee is the difference between the repair deductible paid and the repair or replacement deductible due and will be charged in instances where the device has additional damage beyond screen damage or cannot be repaired and you elect to have it replaced. Device tier is determined by the non-subsidized, non-discounted manufacturer's suggested retail price of the device at the time of enrollment. A complete list of device tiers and deductibles available at fido.ca/servicerequest. File a claim online at fido.ca/servicerequest or call 1-866-327-3399. **3.** We will cover the cost to replace the protected device up to a maximum of \$3,000, inclusive of protected accessories, per claim depending on the tier of your protected device. Theft and loss coverage for iPhone requires you to have Find My iPhone enabled on your device at the time it is lost or stolen. Find My iPhone should remain enabled and your iPhone should remain associated with your Apple ID throughout the theft or loss claim process. If we provide replacement equipment to you as a result of the loss or theft of your protected device and you later recover the protected device, you must return it to us as directed in your insurance policy. **4.** We'll provide one fulfilled claim for loss or theft during any twelve-month period and unlimited accidental damage from handling claims. © 2026
