

# ACTIVATE YOUR DEVICE TODAY

## 1: IF APPLICABLE, INSTALL THE SIM CARD

Insert the SIM card if you have the SIM card from your damaged device, or a new SIM card if received with your replacement device. If you inserted your previous SIM card, no further action is required. If you inserted a new SIM card, or did not receive a new SIM card, proceed to step 2.

## 2: COMPLETE SIM CHANGE OR DOWNLOAD eSIM THROUGH FREEDOM MOBILE

To download a new eSIM or to complete your SIM Change, login to My Account at [freedommobile.ca](https://freedommobile.ca) and navigate to My Plan & Device → Manage SIM/eSIM.

## To Return a Device

- If you have not yet mailed in your damaged/malfunctioning device, please place your device in the provided return envelope, attach the included label, and drop it in any Canada Post mailbox.
- To avoid a Locked Device Fee of up to the full retail price of your device, disable the locking feature of your damaged/malfunctioning device before shipping it. Apple users must deactivate the "Find My iPhone" feature or remove the device from your iTunes account. Android users whose devices are locked via a Google activation lock must log into the account and unlock it.
- Make sure you remove any personal information and data and restore your device to the factory settings before shipping it back. We are not responsible for any loss of data, personal or otherwise, that may occur if you fail to remove your data from the device before returning it to us.
- The damaged/malfunctioning device must be returned to Likewize upon receiving the replacement. If it is not returned within 30 days, you may be subject to a Non-Return Fee of up to the full retail price of the device.
