

FAQs

What determines if the repair option is available?

Location, device make/model, type of damage, and repair or replacement part availability can influence the choices of replacement vs. repair. For example, brand new models may not be available for repair right away, and certain types of damage such as liquid damage are not eligible for repair.

How soon will I receive my replacement?

If your replacement service request is approved, your replacement will be shipped to you within 2 to 10 business days in Canada. You can also get it sooner on the weekend for an additional fee.

What if there's not a repair location near me, but I don't want to replace my device?

Don't worry, we have repair partners who accept devices via mail. We will send you a prepaid label, all you need to do is package your device and drop it in a Canada Post mail box. It will be repaired and returned to you within 3 to 5 business days after we've received it.

What happens if I have an issue with my device after repair?

All repair work is guaranteed for 90-days. Simply call Brightstar at 1-855-562-1955 or go online to file your repair warranty service request.

How will I be charged?

When you enroll in the program, you'll be charged a prorated amount on your credit card based on the date of purchase to the end of the month. The monthly program service fee will be charged directly to the same credit card on the first of each month.

How many service requests can I submit per year?

Your program will cover up to a total of 2 fulfillments (replacement or repair) within a rolling 12-month period for any incident or failure covered under the terms

and conditions. Replacements processed under the manufacturer's warranty do not count towards your service limit.

What kind of replacement device will I receive?

Your replacement will be new or reconditioned. Reconditioned devices look and function like new, with a 90-day replacement warranty. If the exact make and model of your device is not available, your replacement will be of like kind and quality, or better.
