

FAQs

How many claims can I make?

Your plan provides up to a total of 2 fulfillments (repair or replacement) during a rolling 12-month period for any incident or failure covered under the insurance policy, up to a \$2,500 limit per claim. Repairs or replacements processed under the manufacturer's warranty do not count towards the limit.

What determines if repair is an option?

Location, device make/model, type of damage, and part availability can influence the choice of replacement versus repair. For example, brand new models may not be available for repair right away, and certain types of damage such as liquid damage may not be eligible for repair.

What kind of replacement device will I receive?

Your replacement will be new or reconditioned. Reconditioned devices look and function like new, and have a 90-day replacement warranty. If the exact make and model of your device isn't available, your replacement will be of like kind and quality, or better.

How soon will I receive my replacement?

If your claim is approved, your replacement will be shipped to you within 2 to 10 business days in Canada. You can also get it sooner, overnight or on a weekend, for an additional fee.

What if there isn't a repair location near me, but I don't want to replace my device?

Don't worry, we have repair partners who accept devices via mail. We'll send you a prepaid label and all you need to do is package your device and drop it in a Canada Post mail box. It'll be repaired and returned to you within 3 to 5 business days after we've received it.

What if I have an issue with my device after repair?

All repair work is guaranteed for 90-days. Simply go online or call us at **1-855-562-1955** to file your warranty claim.

How will I be charged?

When you enroll in the program, you'll be charged a prorated amount on your credit card based on the date of purchase to the end of the month. The Monthly Premium will be charged to the same credit card on the first of each month.

What's not covered?

While our plan covers an impressive range of incidents, there are a few exceptions like normal wear and tear or pre-existing damage. Other exclusions may apply. Please refer to your plan's insurance policy for all the details and give us a call at **1-855-562-1955** if you have any questions.

Can I cancel my coverage?

Should you decide to cancel, you may do so at any time and for any reason by calling us at **1-855-562-1955** or by filing out the cancellation form (available at protect.likewize.com/mobileprotection) and writing to us at Likewize Device Protection, Ltd., 1235 Bay Street, Suite 400, Toronto, ON M5R 3K4.
