What's covered?

Our comprehensive program covers an impressive range of incidents: loss, theft, accidental damage, and electrical and mechanical malfunction after the expiration of the manufacturer's warranty.

What's not covered?

While our program covers more than you can imagine, there are a few exceptions. Any normal wear and tear, pre-existing flaws, or cosmetic damage is not covered. Have questions or need more details? Your policy and service warranty terms & conditions have the full details on what we will and won't cover.

When am I covered?

For new and eligible refurbished devices, coverage starts immediately upon enrollment. For non-new devices, coverage starts 30 days after enrollment. Your device must be fully operational at the time of program activation in order to enroll.

How will I be billed?

Our low premiums are designed to provide coverage for anyone on a budget. This charge will appear on your monthly Red Pocket Mobile statement.

What are the claim limits?

Our program allows for 2 approved claims in any rolling 12-month period, beginning on the date of your first fulfilled claim. The plan also allows up to \$1,600 per claim, inclusive of \$500 for accessories. Claims must be reported within 60 days of the failure or loss date and completed within 60 days of the file date.

What happens if my device can't be repaired?

If your phone can't be repaired, you may choose to have a replacement device shipped to you. Please note that in this instance you will be required to pay a Claim Conversion Fee, which is the difference between the Repair Deductible and the Replacement Deductible, prior to receiving your replacement device.

What type of replacement device will I receive?

Replacements may be new or reconditioned. Reconditioned equipment functions like new. It may have minor cosmetic flaws and contain non-original manufacturer parts and accessories. If the exact make and model of your device is not available, your replacement equipment will be of like kind and quality. All replacements come with a 90-day warranty.

Are there other fees I should know about?

Other fees you may be subject to include a Non-Return Equipment Fee if you fail to return your damaged or malfunctioning device to Likewize, or a Locked Device Fee if you return your device to Likewize locked, up to the amount of the non-subsidized, retail price of the enrolled device at the time of enrollment. A No Trouble Found Fee of \$50 may be charged if you are approved for a claim and no trouble is found with the device that is returned or brought in for repair. A Claim Conversion Fee may be charged if you pay the repair deductible and the device is replaced.

How do I cancel?

You can cancel at any time and for any reason by calling Red Pocket Mobile Customer Care at 1-712-775-8777. Any unearned monthly premium will be refunded in accordance with applicable state law.
