The Mobile Shop Device Protection Plan (the “Plan”) is provided pursuant to these terms and conditions which, together with any applicable written communications from Us to You and The Mobile Shop Device Protection Plan Insurance Policy, comprise Our Contract (the “Contract”). This Contract governs the Plan so You should keep it and any other communications and documents you receive from us relating to the Plan in a safe place for Your reference and is available in Manitoba. You agree to pay Your Monthly Service Fee and all other applicable fees to the Administrator in accordance with the terms and conditions of this Contract. All fees referred to in this Contract are subject to applicable taxes. All amounts are Canadian Dollars. Points may be used towards Monthly Service Fees at time of purchase only, but are not applicable to any other charges. Please visit pc optimum.ca for information on Points.

If the Monthly Service Fee payable for the Different Device is higher than Your original Eligible Device (because the Different Device has a higher Eligible Device Retail Value) then in order to process a Service Request on the Different Device You will be required to pay the difference in the Monthly Service Fees You have paid and the Monthly Services Fees that would have been payable for the Different Device for the duration of this Contract, in accordance with the table above. - To replace the Protected Equipment that incurs a Mechanical or Electrical Failure.
- Coverage for Accidental Damage to the Protected Equipment is provided by The Mobile Shop Device Protection Plan Insurance Policy that You received separately.

Plan Benefits. If the Protected Equipment incurs a Failure, the Protected Equipment will be replaced with Replacement Equipment in accordance with the terms of this Contract. Protected Equipment will be replaced with a wireless device of like kind and quality with comparable features and functionality to the Protected Equipment. **THERE IS NO ASSURANCE, REPRESENTATION, OR WARRANTY THAT ANY REPLACEMENT EQUIPMENT WILL BE IDENTICAL OR THE SAME COLOUR AS THE ITEM BEING REPLACED. REPLACEMENT EQUIPMENT WILL BE NEW OR REFURBISHED EQUIPMENT.** In the event the Replacement Equipment You receive is Refurbished Equipment, such Refurbished Equipment shall be as good as new equipment regarding functionality and features.

Original Equipment Manufacturer's Warranty. The protection provided by this Contract complements and may overlap with Your original equipment manufacturer's warranty, which is typically valid for one year from the purchase date of Your device. During the original equipment manufacturer's warranty You must go to the manufacturer for all coverage except for Accidental Damage. If you need to submit a Service Request for Accidental Damage, You can contact Us at any time pursuant to The Mobile Shop Device Protection Plan Insurance Policy. After the original equipment manufacturer's warranty ends, You can contact Us at any time to submit a Service Request for any Failure. Subject to applicable law, in addition to the original equipment manufacturer's warranty, Your Eligible Device may also be covered by certain quality standards. Some Eligible Devices may have a longer or shorter manufacturer's warranty. Please refer to the original equipment manufacturer's warranty provided with Your Eligible Device or through the manufacturer's website to understand what protection is offered and the duration of the original equipment manufacturer's warranty.

Replacement Equipment. Replacement Equipment becomes Protected Equipment immediately upon delivery to You. If the Replacement Equipment is physically damaged upon delivery, You must report such damage to Us within seventy-two (72) hours and request the reshipment of Replacement Equipment. This request will not be considered a Service Request.

All Replacement Equipment will include a 90-day warranty covering Mechanical or Electrical Failure, provided by Us and administered by Brightstar in the same manner as this Plan. The 90 day warranty begins on the date the Replacement Equipment is received by You and covers malfunction of the Replacement Equipment due to defects in parts, material or workmanship. Any claim made on Replacement Equipment within the 90-day warranty period will not be considered a Service Request.

Monthly Service Fees. Your first Monthly Service Fee is due on the Effective Date and charged pro rata for the days remaining in the month of enrollment. Your subsequent Monthly Service Fees will be charged to your selected Plan payment method by the Administrator each month. If You do not pay Your Monthly Service Fee when due, including because an attempted charge to Your selected Plan payment method has been dishonoured due to insufficient funds, You may be in default of Your obligations under this Contract and We may cancel this Contract in accordance with "Our Cancellation Rights" set out below. Applicable Processing Fees and other fees and taxes that become payable by You under this Contract may be charged to Your selected Plan payment method before or after We provide You with Replacement Equipment. You authorize Our Administrator to charge Your Plan Payment Method for Your ongoing Monthly Service Fees that

become due by You under this Contract. Your authorization includes authorization for Our Administrator to charge any replacement card that Your financial institution may issue. The expiry of a payment card will not result in the cancellation of this Contract or relieve You of any payment obligation You have under this Contract. You must notify us of any change to Your Plan Payment Method. If there is a change to Your Plan Payment Method and You do not notify Us and Our Administrator is not able to collect any amount that is due by You, We reserve the right to cancel this Contract.

Used Wireless Devices. If protection for used devices is available and You bring Your own device, protection begins 30 days following the date of enrollment. Used devices are subject to inspection by Us prior to enrollment. All used devices must be fully operational and have no damage in order to be eligible for coverage.

Points. Points can be used as a pre-payment for Monthly Service Fees at time of purchase only. Points redeemed for pre-payment are converted at a value of 1,000 Points per \$1. Your Points will be used towards Your Monthly Service Fee outstanding balance, once the Points have been depleted, the payment card You have provided will be charged on a monthly basis going forward. If You are entitled to a refund under this Contract for any amount that You originally paid in Points, the refund will be provided in the form of Points.
